

Scrip Program

What is Scrip?

Scrip is just another way to pay for everyday purchases using gift cards in place of cash, checks, and credit cards.

- Families buy retail gift cards through our scrip program at face value.
- Families choose from nearly 400 national retail stores where they already shop.
- Holy Family buys the gift cards at 1-13% less than face value (varies by retailer).
- The difference between face value and what Holy Family pays = Holy Family's earnings.
- Holy Family shares a portion of earnings (40%) with the family in the form of Holy Family School tuition rebates

Is Scrip really worth it? YES!

Family A uses scrip only for groceries and orders \$200 Sendiks each week for 36 weeks. Total rebate is \$360 - HF earns \$216, Family A earns \$144. If all school families ordered grocery store scrip each week, potential earnings for HF would be over \$20,000.

The scrip program can be used in so many ways! Here are a few suggestions:

- Buy Kohls (local) scrip and use it to pay your Kohl's charge bill (must pay in person at the service desk). Kohl's (local) scrip earns a 5% rebate.
- Buy scrip cards for coffee at Colectivo (10% rebate) or Starbucks (7% rebate)
- Use scrip cards to pay for your Hulu subscription (6%) rebate
- Do you have regular prescriptions filled at CVS or Walgreens? Use scrip and earn 5-6% rebates.
- Do you shop online? Fill your cart on your desired retailer's website and generate your total, log into your shopwithscrip.com account and purchase an e-card for the appropriate amount using presto pay, copy and paste the e-gift card number into the payment method section on the retailer's website and complete your purchase. The extra 2 minutes can earn rebates for HF and for your family.
